DETAILED ACTION

Allowable Subject Matter

1. Claims 18-34 are allowed.

The applicant's attention is directed to the Reasons for Allowance, previously set forth with regards to claims 18-34, in the office action mailed on 11/03/2014.

Response to Amendment

2. The applicant's amendment to claims 18-20 and 29 overcomes the previous objections to these claims, and now all of the claims are believed to be in condition for allowance.

Examiner's Comment

3. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because they contain language other than English, specifically Figure 4's use of German descriptions. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.
